## Exploring the Mystery of Our Dreams—Since 1982

Our purpose is to raise individual and cultural appreciation for the value of dreams. We seek to disseminate information that will assist and empower us in taking responsibility for our cultural, physical, emotional and spiritual well-being, with the help of dreams & mythology.

Our goals are to unite and serve those who respect dreams, to empower dreamers in demystifying dreamwork and to assist with the integration of dreamsharing into our culture in whatever ways of integrity are shown and given us. We seek to provide a balance and to give all cultures, voices and schools of thought an opportunity to be heard.

Design & layout can be provided/\$30 per hr.
